Good Afternoon,

It's that time again where we must update our BOH handbook/orientation materials. I've bulleted the presentations below that will need to be updated. For those of you updating this for the first time, I've also attached a draft agenda just as an FYI. I will touch base with each of you individually and send you the most recent profile I have on file for your Service Area.

We do not currently have a new member orientation scheduled, but would ask that you begin updating your program profiles asap with a target date of May 2nd to have them completed.

1. Dr. Cline's Overview
2. Health Improvement Services Profile
3. Finance/Budget Presentation and 12 months Operating Budget
4. Policy Presentation
5. Ethics, Audit Presentation
6. Office of General Counsel Presentation
7. PPS Profile Presentation
8. CFHS Profile Presentation
9. PHS Profile Presentation

Thanks so much,

VaLauna Grissom
